

PICKER TRUCK OPERATOR

Right Choice Energy Services Inc. (RCESI) is currently accepting applications for a **Picker Truck Operator** to join our growing team based in Moose Jaw, Saskatchewan.

Reporting to the Shop and/or Site Supervisor(s), you will play an important role in supporting fabrication and construction activities in both our shop and field environments. This is an excellent opportunity for an experienced equipment operator with oil and gas facility experience who enjoys hands-on work and working in a team-focused environment.

RESPONSIBILITIES WILL INCLUDE BUT ARE NOT LIMITED TO:

- Reporting fit for duty at the beginning of each shift
- Completing daily equipment inspections and required logbooks as equipment is utilized
- Performing required daily maintenance and reporting equipment concerns to the Supervisor for follow-up
- Ensuring tools and equipment are kept clean, organized, and properly maintained
- Operating equipment in compliance with RCESI safety policies and procedures, as well as client and site-specific requirements
- Rigging materials for lifting and installations and competently signaling lifting equipment
- Loading and unloading equipment from vehicles and trailers while ensuring proper securement in accordance with regulatory requirements
- Coordinating activities with other workers on active worksites
- Understanding client requirements, interpreting drawings, and assisting with structural and piping installations
- Utilizing torqueing equipment and performing measuring, cutting, threading, assembling, installing, and testing of piping systems
- Performing other duties as assigned

THE SUCCESSFUL CANDIDATE WILL BE:

- Safety conscious and meet all safety requirements
- Have minimum 2+ years of picker truck operating experience
- Be able to demonstrate competency and confidence operating equipment safely
- Have experience with, or a willingness to learn, multidisciplinary activities including civil, structural, and piping work
- Be physically capable of performing the demands of the position, including lifting over 40lbs and demonstrating worksite mobility

- Be willing to work overtime and weekends when required
- Be willing to travel throughout Southern Saskatchewan, Alberta, and Manitoba
- Hold a valid driver's licence with a clean driver's abstract and a 5G endorsement

This is a safety sensitive position. As a condition of employment, the successful candidate must successfully complete a pre-employment Drug & Alcohol test. In addition, audiometric and lung function testing will be scheduled by the Health & Safety Coordinator upon hire in accordance with applicable provincial regulations. RCESI offers competitive wages, a comprehensive group benefits package, and opportunities for growth and career development within the company. To apply, please submit your resume to admin@rcesi.com no later than **September 30, 2026**.

We thank all candidates for their interest; however, only those selected to continue through the recruitment process will be contacted. Applications will be reviewed as they are received, and these positions may be filled prior to the posting closing date. Interested candidates are encouraged to apply as soon as possible.
