

JOURNEYMAN PIPEFITTER

Right Choice Energy Services Inc. (RCESI) is currently accepting applications for a **Journeyman Pipefitter** to join our growing team based in Moose Jaw, Saskatchewan.

Reporting to the Shop and/or Site Supervisor(s), you will play an important role in supporting fabrication and construction activities in both our shop and field environments. This is an excellent opportunity for an experienced Journeyman Pipefitter who enjoys hands-on work and is looking to contribute their skills within a safety-focused team environment.

RESPONSIBILITIES WILL INCLUDE BUT ARE NOT LIMITED TO:

- Reporting fit for duty at the beginning of each shift
- Understanding and applying applicable provincial and federal standards related to construction activities
- Reviewing and interpreting spool drawings, including orientations and structural components, to support fabrication and installation requirements
- Completing spool installation activities, including required torquing procedures
- Operating pipe threading equipment as required
- Performing hydrostatic testing of piping systems and completing required documentation
- Completing bolt-up activities and demonstrating proper use of torque equipment and bolting procedures
- Mentoring and supporting apprentices in developing their skills and knowledge
- Performing other duties as assigned

THE SUCCESSFUL CANDIDATE WILL BE:

- Safety conscious and committed to meeting all safety requirements
- In possession of a Journeyman Pipefitter certification
- Capable of performing the physical requirements of the position, including lifting over 20lbs. and demonstrating worksite mobility
- Hold or be willing to obtain prior to their start date, valid First Aid and H2S Alive certifications

- Have experience with, or a willingness to learn, multidisciplinary activities including civil, structural, and piping work
- Willing to work overtime and weekends when required
- Willing to travel throughout Southern Saskatchewan, Alberta, and Manitoba
- Hold a valid driver's licence with a clean driver's abstract

This is a safety-sensitive position. As a condition of employment, the successful candidate must successfully complete a pre-employment Drug & Alcohol test. In addition, audiometric and lung function testing will be scheduled by the Health & Safety Coordinator upon hire in accordance with applicable provincial regulations.

RCESI offers competitive wages, a comprehensive group benefits package, and opportunities for growth and career development within the company. To apply, please submit your resume to admin@rcesi.com no later than **September 30, 2026**.

We thank all candidates for their interest; however, only those selected to continue through the recruitment process will be contacted. Applications will be reviewed as they are received, and this position may be filled prior to the posting closing date. Interested candidates are encouraged to apply as soon as possible.
